

Talking Walls Chester

If walls could
talk what stories
would they
tell?

Which wall is talking where?

CHESTER'S WALLS HAVE JUST GOT CHATTY!

Using drama, mobile technology and off-the-wall humour, Talking Walls Chester is a new way to experience this ancient walled city. To hear what Chester's walls have to say, just pay them a visit (and take your smartphone*). Some Talking Walls are outside, most are inside: just look around...Good Wall Hunting!
